We've got the "Write Stuff"

St. Vincent Ferrer eighth-grader, Noah Dunkley, was chosen as this year's Catholic's United for the Poor essay contest winner. Noah's essay on St. Michael the Archangel was selected from hundreds of essays submitted by Archdiocesan students. This year marks the sixth year of the last seven that a St. Vincent Ferrer student has won the contest. Congratulations Noah!

Hornet Concession Stand

A concession stand has been constructed at the entrance of the SVF gym. Athletics Coordinator, Lisa Samson, orchestrated the project and SVF Athletics provided the financing. Joel Pence, father of Robbie and Andrew, donated his time as an architectural consultant. Contractor Harry Childs, father of Ethan, worked nights and weekends to quickly complete the project. The concession stand is a wonderful addition to the gym and an excellent example of SVF teamwork. Stop by for a snack and to cheer for the Hornets soon.

Alumni in Action

- * Bob Crable (1974) has been selected to the National Football Foundation's College Football Hall of Fame, Class of 2017. It was great to see Bob as a judge again this year at the Spaghetti Dinner.
- * Rose Lavelle (2009) was selected as the top pick in the National Women's Soccer League Draft. Rose will play for the Boston Breakers.
- * Christopher Dunkley (2011) took a break from his music studies at Belmont University to entertain the crowd at the SVF Spaghetti Dinner.

Kindergarten Book Club

The kindergarten class has the opportunity to participate in a monthly book club. Emma Falci, a SVF 2015 graduate, organized the book club as a service project in an effort to obtain her Girl Scout Gold Award. The Gold Award is the highest achievement within the Girl Scout organization. The kindergartners enjoy a book, crafts, games, and snacks. "I love book club," explained Max Cronin. The book club is made possible through Emma's hard work and a grant she secured from Constellation's Community Champions Program. Constellation is an Exelon company. "I knew I wanted to do a project that would allow me to give back to SVF," explained Emma. "The book club is the perfect combination of my love of books and young children," said Emma. Thanks to Emma for providing this fun and educational opportunity.
